

AGE 12 AND UNDER CLASS

Biathletes in this class must be accompanied by parent or legal guardian

You will shoot all four bouts of 5-shots at the large targets.

You will shoot all four bouts in the prone position.

INDIVIDUAL COACHING IS REQUIRED.

You will ski/snowshoe/run/walk (run) 300 meters (150 out the marked trail and 150 back) before the first five-shot bout, between each bout, and after the last (fourth) five-shot bout for a total of 1500 meters run. Be sure to “walk” where marked on return to the range and until the “run” line when embarking on each 300 meter run. A rifle rest, such as a roll of rug, is allowed in this class. Slings will not be used in this class. You will have the option to run any penalty loops or take the time penalty factor added to your score for each miss.

Parent or guardian – or youth if cleared by range safety officer - must carry the rifle by the barrel, muzzle up, **BOLT OPEN** from rack, to firing line and back each bout. Remove the bullet clips before leaving the firing line.

Your **finger must be off the trigger**, placing your finger straight out, above the trigger guard and long-side of the stock until you are on target and you are ready to shoot. When on the firing line keep the muzzle pointed down range at all times.

Be sure to follow any and all of a Range Safety Officer’s instructions.
