

Saint Patrick's Day Match

Hello to All,

The match this year was held out on the Highpower range .. There were 17 intrepid shooters who came to compete for best score. There was approximetly 4' to 5' of frozen snow on the floor of the range and the winds were gusting on that bright sunshine morning! A special thanks to Dana, Rick, and Dave for help in match prep and a thanks to all who helped out that day maintaining the target carriers, etc.. See you next year!

May Your Groups be Tight and Your X Count High,
Mike Brown, Match Director
